CLINTON ARAKA

It was our pleasure to receive this precious young boy into our Church Care Program at Faith Works International Kisii Kenya.

CHILD'S NAME:	Clinton Riang'a Araka
Ministry location:	Faith Works International Kisii - Kenya
Date of birth:	7 th October, 2005
Current school grade:	Grade 7

Domestic Background (Family Situation):

Clinton was referred to our Church care program by a Old Woman early February 2012. We know that he is 6 years Old as we were given the information. But we have no idea of exact date and month he was born. Both his parents died due to tribal clasher in the 2007 National election. After the death of his parents, he had been cared by an old Woman who is very old and who volunteered to look after Clinton. But this good Samaritan became very sick and could not afford to give good care Clinton.

We therefore received Clinton to be under our Church care program on 4th February 2012. Clinton is in grade three. He seems to be a diligent young boy who will continue performing well in School and life.

Through your sponsorship of this child they can have a balanced diet and go to school.

We ask you to be a friend and to pray for Clinton's life. If you would touch Clinton's life in prayer and support as his sponsor, we will keep you up to date with his progress.

We welcome you into Clinton's life. Your love and compassion will be highly appreciated.

Your investment of \$40.00 a month, assist in food schooling and clothes.

Social Development (Relationships with other children and staff, Behaviour):

Clinton was unhappy when we received him, because of the death of his parents. Clinton is now friendly to other Children and is so happy. He is good tempered. He is a very best friend, talkative and knows how to make friendship.

Personal Development (Hobbies, involvement in sports, church activities, clubs, etc.):

Clinton enjoys playing football, listening to radio, and watching football games. He also likes to watch TV when he finds it anywhere. He does well in Class work.

Physical Development (General growth / weight, illnesses, etc.):

Clinton was been unwell during 2012, but he is receiving ongoing medical treatment.

Educational Progress (Schoolwork, training programmes, etc.):

Clinton works very hard in class and he does well in most subjects. Despite not doing well in English and Swahili, he generally remains positive and is ready for new challenges in grade four.

Spiritual Development (Interest in church, daily devotions, spiritual growth):

Clinton enjoys singing in the Church and he is a member of the Church choir. He is devoted in reading his bible and attends Sunday school class studies. He is developing his spiritual character gradually. In 2012, he had been walking with the Lord in new manner.
