Dear my loved Sponsor,

I say many thanks for the wonderful support to me. May the Lord of Abraham bless you plentifully.

We did our end June test and I scored 453 marks. I took position two in our class. I am really enjoying the topics that we are on covering. They are good and easier to understand.

This term we are having ball games. I am enjoying and happier watching the game but I like most valley ball. I also like reading story books, novels and the Bible.

We are looking forward to have a trip to Ruma Game Park in the coming term. Hope we shall enjoy looking at the game animals, trees and the birds.

We have cold and rainy season now. We enjoy so much since we are not going to rivers to fetch water since we have plenty rain water.

Be blessed from above and beyond my dear sponsor. Indeed God is God all the time and all the time God is good.

-Yours faithful Orphan,

Eulix

My Dream Job:

"My dream job is to become a surgeon. I would like to be a surgeon because I would love to be able to help people that are badly injured or those that need a transplant of some sort. I would really like to accomplish this in future. May the Lord help me to attain this dream!"
