FELIX OMBASA

It was our pleasure to receive this precious lovely young boy into our Church Care Program at Faith Works International Kisii Kenya.

CHILD'S NAME:	FELIX OMBASA ARORI
Ministry location:	Faith Works International Kisii - Kenya
Date of birth:	3 rd July, 2008
Current school grade:	Grade 4

Domestic Background (Family Situation):

This precious lovely young boy whose name is called Felix Arori. He was born on July 2008 by a single Mother. His Mother did not get married. His Mother gave birth to Felix while she was in High School. This caused the Mother not to continue in her education. His Mother decided to leave school. After one year her life changed. The Mother decided to join in a bar selling beer and she involved herself in immorality. She left Felix in the care of the grandmother. The mother passed away after she got sick in 2010. The grandmother who had been caring for Felix is very old. Felix faced a very difficult life. The grandmother asked if we can assist Felix.

We visited Felix and we had compassion on his life because he had contracted kwashiorkor illness, because of poor feeding. Felix was referred into our Church care program on February 20th 2012. Felix has now attended school. As from the day we started feeding Felix with a balanced diet, Felix has improved and is now happy and can smile again.

Through your sponsorship of this child he can have a balanced diet and go to school regularly. We ask you to be a friend and to pray for Felix's life. If you would touch Felix's life in prayer and support as his sponsor, we will keep you up to date with his progress.

We welcome you into Felix's life. Your love and compassion will be highly appreciated.

Your investment of \$40.00 a month, assist in food schooling and clothes.

If you give more than the sponsorship amount it goes towards any medical cost that may arise.

Social Development (Relationships with other children and staff, Behaviour):

Felix has continued to mature this year and he is growing up to be a remarkable young boy. He relates well with all the Children. He loves to smile and likes to make friendships with the other Children.

Personal Development (Hobbies, involvement in sports, church activities, clubs, etc.):

Felix loves to pray with other Children, and also loves to play football. He loves listening to music whenever he has a chance.

Physical Development (General growth / weight, illnesses, etc.):

Felix has had some dental problems this year, but he is receiving treatment and we are seeing an improvement in the state of his teeth.

Educational Progress (Schoolwork, training programmes, etc.):

Felix works very hard and is consistently doing well in most of his subjects throughout the year. He concentrates well in class, enjoys School and he is clearly an intelligent boy. His favourite subjects are, maths and environmental studies.

Spiritual Development (Interest in church, daily devotions, spiritual growth):

Felix likes singing in church. He is also interested in learning about the love of Jesus Christ and how to share Jesus with others. He loves to attend Sunday School lessons every Sunday.
